

Arts Engagement Program Information for Advisors

Students must attend three approved arts events, one each in visual art, music and theatre, for each year of full-time enrollment in a residential degree program at Ouachita up to a maximum of 12 events. If they fall behind, they can make up events the next year by going to more than one event in the categories where they are deficient. As with the Chapel requirement, please remind students at each advising session to meet the Arts Engagement attendance requirements.

Attendance at music and theatre events is recorded immediately through a swipe card system. Attendance at art exhibits is processed manually and recorded within one week after the student's participation.

Advisors can check a student's record of attendance on the **Student Profile** section of their web portal and on the **Advisor Console**, which shows the current status for all of your advisees. (See the first three screen shots below for examples.)

Students can check their current record of attendance on their web portal under the **General Academic** tab and on the **Mid-Term/Final Grades** tab (See screen shots below).

Prerequisites for Enrollment in the Fine Arts classes:

- Any student with **Junior** standing (59+ hours) may enroll in a junior-level Fine Arts class (FINA 3013, 3023, 3033). Students are expected to be current in their attendance requirements, but it is possible to enroll and make up deficiencies during and after the course.
- **Sophomores** (29+ hours) may enroll *only* if they have attended six arts events. Exception: Sophomore transfer students may enroll after attending three arts events.
- **Seniors** should sign up for the one-hour Fine Arts Engagement Series course (FINA 4011) after they have completed their 3-hour Fine Arts course or in their final semester. This one-hour course does not meet during the semester; students simply complete their attendance requirements and fill out a survey on participation in the Arts Engagement Program. Overload charges are waived for this course.

Additional information is available in the School of Interdisciplinary Studies section of the General Catalog and on the Arts Engagement web page at <https://obu.edu/finearts/arts-engagement/index.php>
